

	Dr Chua Ker Yang MBBS (UM), Masters of Paediatrics (UM), Masters of Public Health (Warwick) Paediatric Department, Hospital Tunku Azizah, Jalan Raja Muda Abdul Aziz, Kampung Baru, 50300 Kuala Lumpur, Malaysia. Email: keryang100@hotmail.com
Dr Chua is a pediatrician in Tunku Azizah Hospital, a Women and Children's hospital in Kuala Lumpur, he actively mentors pediatric subspecialty trainees in research methodology. He has established collaborative ventures on clinical research with specialists from various other clinical specialties, in addition to medical laboratory scientists, audiologists, and occupational therapists. His current research interests range from public health studies, systematic reviews, and real-world evidence studies. He hopes to enhance the interest and participation amongst clinicians and other health care professionals in evidence-based practices and research.
