

	Kishor Kumar Roy Assistant Professor
	Faculty of Pharmacy, Mandsaur University Revas Devda Road, S.H.-31, Mandsaur (M.P) -458001 Email: roykishorkumarkumar1998@gmail.com
Personal Profile: I am an accomplished academician and researcher, currently serving as an Assistant Professor in the Faculty of Pharmacy at Mandsaur University, Madhya Pradesh, India. My academic journey began with a Bachelor of Pharmacy from Maulana Abul Kalam Azad University of Technology, West Bengal, followed by a Master of Pharmacy in Pharmacology from Kakatiya University, Telangana, where I was honored with a Gold Medal for my outstanding performance. I also qualified for the prestigious GATE 2022, conducted by IIT Kharagpur. With a diverse background in teaching and research, I have previously worked as a Lecturer at Mata Gujri University, Bihar and Jharkhand Rai University, Ranchi Jharkhand, gaining valuable experience in academia. My research contributions include over 25 publications in reputed national and international journals, along with two granted patents, reflecting my dedication to innovation in pharmaceutical sciences. My key research interests lie in herbal drug discovery, clinical trials, neuropharmacology, and the screening of analgesic and anti-inflammatory drugs. Passionate about advancing pharmacological sciences, I actively engage in experimental and translational research to explore novel therapeutic agents. Through my work, I strive to contribute meaningfully to the field of pharmaceutical sciences, bridging the gap between research and real-world healthcare advancements.
