

	Prof. Dr. Silvia C. Ambag silviaambag@gmail.com or silvia.ambag@lpu.edu.ph
Dr. Silvia C. Ambag is a distinguished educator, researcher, and academic leader who has made significant contributions to education, management, social sciences, research, and publishing. With a deep commitment to scholarly endeavors, she has significantly shaped the academic and research landscape both nationally and globally. Dr. Ambag is currently a Special Lecturer at the Lyceum of the Philippines University Graduate School, University of Perpetual Help Dalta where she specializes in education, management, business, social sciences, and technology. She is also a Professor Lecturer 3 and University Researcher III and International Affairs Officer at the Universidad de Manila, where she has helped advance research initiatives since 2021. She is also the managing editor of Nilad Journal and The Professional Journal, which strengthens her position in academic publishing. Dr. Ambag's expertise extends beyond the Philippines, as she has held international positions, demonstrating her global reach. She serves on the Scientific Board of the Research Synergy Foundation in Indonesia and has been the Coordinator for the Southeast Asian Ministers of Education Organization Center for Early Childhood Care, Education, and Parenting (SEAMEO CECCEP) since 2018. She has also been on the Editorial Board of the International Journal of Theory and Application in Elementary and Secondary School Education (IJTAESE), which is based in Jakarta, Indonesia, since 2021. She plays an active role in various professional organizations, including serving as a Director for Finance and Human Resource of the Asia Pacific Consortium of Researchers and Educators (APCORE). Her academic consulting experience includes working as an Education Consultant for Quezon City	

University and Saint Simon of Cyrene Academy, Inc. She is also an International Consultant for Politeknik Piksi Ganesia's High Impact Ranking in 2024 and 2025, and International Affairs Officer for the UDM THE Impact Ranking 2024 and WURI 2024, which will enhance her reputation as a global academic leader.

Dr. Ambag has published extensively in peer-reviewed journals, including ISI Scopus and Web of Science, and has presented numerous research papers at national and international conferences in Indonesia, Malaysia, Thailand, Korea, Guam, the United States (California), Japan, Cambodia, Moscow Russia and Cambodia. She is a popular national and international speaker who has been invited to speak at hybrid conferences on topics such as education, business, and management. In 2024, she was invited as keynote speakers in HoChi Min University in 2024, in Cambodia in 2024, and to present Institutional Achievements in Beijing, China in 2024 and 2025, Cambodia, and various universities in Indonesia from 2016 to 2024, both online and offline conferences.

Dr. Ambag, a recognized international academic collaborator and speakers, has been a Visiting Professor at Bandung Piksi Ganesia, Indonesia, from 2016 to 2024. And International Speakers in 2024 and 2025 in Beijing Normal University in China, and last March 2025 in Moscow Russia. Dr. Ambag is a consultant in Times Higher Education and World University Rankings Innovation in Universidad de Manila, Philippines, Politeknik Piksi Ganesia Bandung, Politenik Piksi Ganesia Indonesia and Sekolah Tinggi Ilmu Ekonomi Syariah Indonesia (STIESI) Purwakarta, Indonesia

Dr. Ambag's distinguished academic career led to her promotion to Professor 3 in 2016, a testament to her dedication and significant contributions to academia, business, and management.

Her academic background includes a Master's degree in Educational Management (2005) and a Doctorate in Education Management (2013). She also serves as a Graduate School Professor at Laguna State Polytechnic University from 2020 up to present, where she mentors and guides future educators and researchers.

Dr. Silvia C. Ambag continues to be at the forefront of academic excellence, research innovation, and scholarly publication, influencing the future of education and research in the Philippines.
