

	Professor Sonia Maria Olini
	São Paulo State University - UNESP sonia.oliani@unesp.br
Holds a Bachelor's degree in Biological Sciences from São Paulo State University "Júlio de Mesquita Filho" (UNESP), a Master's degree in Cell Biology, and a PhD in Sciences (Cell and Tissue Biology) from the University of São Paulo (USP). Postdoctoral training was carried out at The William Harvey Research Institute, Queen Mary University of London, and at the University of Oxford, UK. Awarded the title of Full Professor in 2011 at UNES. Since 2007, has served as Visiting Professor at the Biochemical Pharmacology Research Centre, William Harvey Research Institute, Barts & The London School of Medicine & Dentistry, Queen Mary University of London, UK. Accredited faculty member in the Graduate Programs in Structural and Functional Biology at the Federal University of São Paulo (UNIFESP–EPM) and in Biosciences at IBILCE–UNESP, and researcher at the Center for Advanced Research in Medicine (CEPAM – UNILAGO). Research experience is in the field of Morphology, with emphasis on Histology, focusing on inflammatory cells and anti-inflammatory proteins, particularly Annexin A1 and Galectin-1, aiming at the development of novel therapeutic approaches for acute and chronic inflammatory processes.
